- *Families with two or more children taking part in Ext Schools Clubs, please deduct 10% off total payment.
- *Children will be advised of club(s) asap & no later than Fri 23rd Sept (depending on receipt of form).
- *Club(s) payment may be forwarded to Extended Schools Coordinator at the end of the month.
- *Please keep this timetable safe, as the office receives many calls about information that has already been supplied.

*Every effort is made to try and place children into clubs however this cannot be guaranteed this term due to finance and reduced timetable options - we ask for your understanding on this.

Please note:

- *Funding Cuts of 14.5% from last year, on top of cuts for each of the 3 previous years, have left us with a minimal budget with which to work with.
- *We endeavour to do our best to provide a variety of clubs for the children to enjoy but we have to reduce the weeks to compensate for the reduction in funding.
- *We thank you for your contributions to the clubs which go some way in helping to alleviate the financial situation that all schools find themselves working to.

Please note that there are NO CLUBS during the Halloween Break - 30th Oct to 3rd Nov!
