

Parking Arrangements

We would like to remind parents of the following arrangements regarding parking:

- Access through the main gates is for disabled drivers picking up/dropping off Nursery & P1-P3 children only.
- The facility for disabled drivers is only to be used by the disabled driver who is picking up/dropping of children and not for passengers of disabled drivers.
- All other drivers should use the new car-park or park safely on the main road.
- Blue badges must be clearly displayed at all times.
- No parking is permitted on the zig zag lines at the main gates.
- No parking is permitted in front of the main gates.
- The main gates must not be used as a drop off or turning point.
- The PSNI have advised us to inform them of any drivers deemed to be parked in a prohibited or unsafe place.

These arrangements apply to taxi drivers also.

Thank you for your attention in this matter

Mrs Nixon (Principal)
